

Bowdoin College Award Nomination
Summer/Fall, 2013

Each year the Bowdoin College Alumni Council presents a number of awards to deserving alumni, faculty and staff nominated by fellow alumni and/or staff. At this time we are accepting nominations for the following awards and welcome your nominations by **August 2, 2013**.

Alumni Service Award

Awarded to the alumnus or alumna whose services to Bowdoin most deserve recognition. The award honors a record of service rather than a single act or achievement. It is the highest honor given by the Alumni Council.

Alumni Award for Faculty and Staff

Awarded every other year to the faculty or staff member who has demonstrated a loyalty and devotion to Bowdoin not only in the fulfillment of his or her position at the College, but through active involvement in a broad number of activities and with a broad number of constituencies during his or her time at Bowdoin. The award is presented for service and devotion to Bowdoin, recognizing that the College in a large sense includes both students and alumni.

Please submit nominations by August 1 to the Alumni Relations Office, 4000 College Station.
Thanks for your interest and support!
