A MESSAGE FROM THE DIRECTOR OF ALUMNI RELATIONS

2015

Dear Fellow Polar Bears,

We hope you're planning to make the trip to campus May 28–31 to reconnect with classmates and friends at Reunion Weekend 2015. Much has changed here at Bowdoin, but even more remains just as you remember it.

*In this brochure you'll find a tentative listing of events and activities happening during the weekend. Later this spring, a final schedule, including times and locations for all events and meals, will be available on the Reunion web and mobile sites. A printed version of the final schedule will also be available at the Reunion Welcome Center. Check out **bowdoinreunion.com** for information about event listings, registration, on-campus housing, registered classmates, travel discounts, and other details to help plan your visit!*

Please join us for the fun and warmth of this wonderful weekend!

Registration

To register online, go to **bowdoinreunion.com**. Downloadable class registration forms are also available on the Reunion website.

Bowdoin strives to make returning to campus as affordable as possible. The College substantially subsidizes the cost of Reunion Weekend, and most registration rates this year are lower than they were five years ago! Plus, kids are now free!

Upon arrival at the Reunion Welcome Center, each registered alumnus will receive a piece of memorabilia to help celebrate the return to campus. Please register by **Thursday, May 14**, to ensure you receive your item.

By registering, each individual agrees that Bowdoin College will be taking photos and video at Reunion events, and may publish them in any format or media without additional permission from the individuals featured.

Cancellations

If cancellation of a Reunion reservation or on-campus room is necessary, contact the Office of Alumni Relations at **alumni@bowdoin.edu** or **207-725-3266**. Individuals will be reimbursed in full for cancellations made prior to **Thursday, May 14**.

Accessibility

Bowdoin College is committed to making its campus accessible to persons with disabilities. However, not all areas of campus are fully accessible. Individuals who have special needs should contact the Office of Alumni Relations at **alumni@bowdoin.edu** or **207-725-3266**.

The Reunion Weekend mobile app and schedule will be available in late April 2015.
