**May 31–June 3, 2012**

[bowdoin.edu/alumni/reunion](http://bowdoin.edu/alumni/reunion)

Dear Alumni and Friends,

We hope to see you on campus May 31–June 3 for Reunion 2012. It's your chance to catch up with classmates and friends, and to see all that is new—and all that has remained just as you remember it—on the beautiful Bowdoin campus.

This brochure contains information on the many events and activities for alumni, guests, and family members of all ages to enjoy during Reunion Weekend. Return to the classroom and attend a Back to School lecture; visit the Bowdoin College Museum of Art, the Sidney J. Watson Arena, or The Peter Buck Center for Health and Fitness; or simply chat with old friends and stroll the familiar Quad. Whatever you choose to do, don't forget to eat your fill of lobster.

We hope you'll take the opportunity to return to this special place for a wonderful weekend of reminiscing and reconnecting.

# Reunion Convocation

Saturday, June 2, 2012

Sidney J. Watson Arena

Join your classmates and other Bowdoin alumni as we celebrate our ties to the College and to each other at Reunion Convocation. This year's event will include a keynote address by Pulitzer Prize-winning author and presidential historian *Doris Kearns Goodwin*, remarks by President *Barry Mills*, and the presentation of Bowdoin's most prestigious alumni recognition awards (see award recipients below). Don't miss this centerpiece of Reunion Weekend, Saturday morning at 10:30 in Bowdoin's spectacular Watson Arena!

**Jill A. Shaw-Ruddock '77**  
Common Good Award

An important leader on women's life and health issues, Jill's efforts show Bowdoin daughters, and women around the world, how they might prepare for the challenges and opportunities of the second half of their lives. Jill has served Bowdoin as a class agent, as a trustee and overseer of the College, as a member of the New Century Campaign Steering Committee, and as a benefactor and champion of the arts. The Common Good Award honors the alumnus or alumna who has demonstrated an extraordinary, profound, and sustained commitment to the common good, in the interest and for the benefit of society, with conspicuous disregard for personal gains in wealth or status. It is awarded by the Board of Trustees.

**Marijane Benner Browne '83**  
Alumni Service Award

A former overseer and trustee of the College for fifteen years, Marijane has never stopped working for Bowdoin. Her energy and enthusiasm were evident in her role as the first national chair of Bowdoin Alumni Schools Interviewing Committee (BASIC), where she was an advocate for Bowdoin's efforts to increase diversity. Marijane also was the director of the Bowdoin Club of Boston, where she helped develop a career aspiration program for middle schoolers, and served as a volunteer for her class reunion efforts. The Alumni Service Award recognizes a record of exemplary service to the College, rather than a single act, and is the highest honor given by the Alumni Council.

**Sherrie S. Bergman**  
Alumni Award for Faculty and Staff

As College librarian for twenty years, Sherrie has overseen the expansion and transformation of the library's role in the digital information age, major renovations to Hawthorne-Longfellow Library, and the creation of branch libraries for art, music, the sciences, and languages. Sherrie's leadership and dedication to Jewish life, professional opportunities for women, and care for the elderly are an inspiration to all at Bowdoin and within the larger community. The Alumni Award for Faculty and Staff recognizes a faculty or staff member who has demonstrated a loyalty and devotion to Bowdoin, in both the fulfillment of their position and through active involvement in a broad range of activities and with a broad number of constituencies.

Goodwin is the author of several books, including *Team of Rivals: The Political Genius of Abraham Lincoln*; *Wait Till Next Year: A Memoir*; *No Ordinary Time: Franklin and Eleanor Roosevelt: The Home Front in World War II*; *The Fitzgeralds and the Kennedys*; and *Lyndon Johnson and the American Dream*.
